**FOR IMMEDIATE RELEASE**

## **Drainage Improvements to Begin in Susanville**

**REDDING** – The California Department of Transportation (Caltrans) will soon complete work on sidewalk improvements to State Route (SR) 36 in downtown Susanville and will begin work on improvements to drainage the evening of Sunday, June 4, 2006. This second stage of construction will include trenching and installation of drain pipes. Initial work will include the installation of the main storm drain pipe, which runs along the center of SR 36 (Main Street) from Fair Drive to McDow Street.

Continued sidewalk work will take place between the hours of 8 a.m. and 5 p.m., Monday through Friday and will cause no delays to the traveling public. Pedestrians will be detoured around the short sections of sidewalk, which are being worked on. Drainage system work will be conducted during night hours, 8 p.m. to 6 a.m. and will require lane closures and small delays.

This \$724,474 contract was awarded to Guiton & Son Construction of Redding and is anticipated for completion in July. For more information you may contact the Public Information Office at 530-225-3260.

Motorists are reminded to drive carefully in the construction area and to "Slow for the Cone Zone".
